

The Burstow Family
(A fifth generation family firm)

WHY CHOOSE US?

1. We are a local company, operated by our family since prior to 1900. In fact the only family owned funeral company in Toowoomba, Warwick, Dalby or Gatton. This is more than a business to us, it's a family legacy and a partnership with the community. We remain answerable to you not distant shareholders.

2. Outstanding facilities and service. Grief experts and funeral industry specialists continue to recognise Burstows as a leader in facility and service standards and holistic bereavement care.

3. Honesty and transparency. We welcome your call to inspect our funeral home or discuss your needs without obligation. We are committed to complete transparency in all we do and offer.

We understand the care and guidance you receive during a time of loss will impact you positively or negatively for the rest of your life.

We promise to give you our best attention, advice and support.
